PROFESSIONAL SUMMARY

Full-Stack Developer with hands-on experience building modern web applications using React.js, Node.js, Express.js, MongoDB, PostgreSQL, PHP, and REST APIs. Completed a 3-month internship at Siffrum Analytics Pvt. Ltd., contributing to real-world development, API integration, debugging, and collaborative Git workflows. Comfortable working across the full stack, from designing responsive interfaces to building and integrating backend services, with a strong eagerness to learn and grow within a fast-paced development team. Eager to leverage technical and teamwork skills in a challenging Full-Stack Developer role.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), PHP, HTML5, CSS3, Basic Python
Frontend	React.js, Tailwind CSS, Bootstrap
Backend	Node.js, Express.js, PHP, REST APIs
Databases	MongoDB, PostgreSQL, MySQL
Tools	Git, GitHub, Postman, Vite

EXPERIENCE

Full-Stack Developer Intern - Siffrum Analytics Pvt. Ltd.

3 Months

- Developed responsive user interfaces with React.js, enhancing user experience and accessibility across multiple modules.
- Integrated REST APIs and resolved UI bugs to improve overall application stability and reliability.
- Collaborated with cross-functional teams using Git and GitHub to manage version control and code reviews.
- Participated in the full software development lifecycle - feature development, debugging, testing, and deployment.

PROJECTS

HireGenyx - Staffing & Proposal Services Platform

Developed a production-ready platform with a responsive UI, reusable components, and optimized user experience, focused on streamlining staffing workflows and client proposal management.

MET JK - School Website

Designed and developed a modern, responsive website for an educational institution, focusing on intuitive navigation, accessibility, and clear information architecture for students and parents.

HyTrack - Personal Finance Tracker

Built a full-stack finance tracking application featuring complete CRUD operations and a responsive dashboard, enabling users to manage income, expenses, and budgets effectively.

EDUCATION

Bachelor of Computer Applications (BCA)

Iqbal Institute of Technology and Management
